# TRASH & RECYCLING INFORMATION FOR THE RESIDENTS OF THE CITY OF POTTSVILLE

**Dear Pottsville Resident:**

As you may be aware, Kreitzer Sanitation was recently awarded the residential solid waste and recycling contract for the City of Pottsville. This contract will become effective March 1, 2011. Contracted services will include unlimited weekly trash collection, including coal ash, and recycle collection every other week. Trash containers and recycling bins are to be placed at curbside the evening prior to your collection day. **Collection Service Days** are identified on the back of this page.

**Single-stream Recycling:** All city residents may begin placing all recyclable materials into a single container beginning March 7, 2011. Acceptable recyclables include brown, green and clear glass bottles, aluminum beverage containers, plastics labeled #1 through #7, and paper products such as newspaper, cardboard, and magazines (see inside for more information on single-stream recycling). **All recyclables need to be separated from your regular trash in a clearly marked container.** If you are in need of recycling labels or containers, please contact our office at 866-KREITZER or 570-366-6360.

**Large Bulky Items:** One (1) large bulky item is permitted for collection from each home one time a month to be placed at curbside the evening prior to your collection day. Simply place the large bulk item at curbside with your trash and recyclables. Acceptable items include: sofas, desks, chairs, tables, mattress, box spring, dishwasher, hot water heater, washer, dryer, Christmas trees and similar items provided that two people can lift the item into the back of the trash truck. Items containing Freon, such as refrigerators, freezers, air conditioners, or dehumidifiers must have the Freon removed prior to collection and must display a sticker on the appliance from a certified technician stating that the appliance is Freon free.

**Non-acceptable Items Include:** Household hazardous wastes, paints, solvents, herbicides, insecticides, chemicals, propane tanks, liquids, batteries, no loose piles, no tree stumps or yard waste, concrete, or construction/demolition materials.  
**NO MEDICAL WASTE.**

**Residential Toters:** Residential toters are available as an additional service option through contacting Kreitzer Sanitation at 866-KREITZER or 570-366-6360 or visit us at www.kreitzersanitation.com for more information.

**Trash & Recycling collection Dates: Recycling is Collected Every two Weeks, Starting March 7, 2011**

**Introducing Single-stream Recycling!**

**Single-stream recycling** is a system in which all recyclables (paper, cardboard, plastic, glass, aluminum, etc.) are mixed together in a collection bin, instead of being sorted separately by the resident. In single-stream, both the collection and processing systems are designed to handle a fully commingled mixture of recyclables. **All recyclables need to be separated from your regular trash in a clearly marked container.** If you are in need of recycling labels or containers, please contact our office at 866-KREITZER or 570-366-6360. Single stream recycling will be collected by a compaction truck on your recycling day, it cannot collect non-recyclable items.

**Cans:** Rinsed aluminum, steel, and tin food and beverage cans (such as beer and soda cans). Remove the lid or push it into the can. No need to remove labels. No foil or food trays.

**Glass:** Clear, green, or brown glass food and beverage containers (jars & bottles). Remove lids and rinse. Leave labels on. No light bulbs, mirrors, window glass, etc.

**Plastics:** #1 through #7 food and beverage containers and laundry product containers. The number is on the bottom of the container. Most soda, water, milk, juice, shampoo, detergent, condiments, salad dressing, yogurt, and margarine fit into this category.

**Paper:** Material such as newspaper, inserts, magazines, catalogs, junk mail, envelopes, file folders, office computer paper (staples and paper clips OK). Corrugated cardboard boxes, cereal, tissue, gift boxes, etc., paper bags, phone books, wrapping paper (remove metallic paper, bows).

**DO NOT RECYCLE the following:**  
 Ceramics, dishes, coffee cups, drinking glasses, glass oven-ware, Pyrex, vision-ware, window glass, mirrors, light bulbs, plastics without #1 through #7 labeling, plastic bags, Styrofoam packaging, bubble wrap, tissue or paper towels, milk or juice wax paper cartons, metallic or coated paper, waxed boxes, books or toys. **NO MEDICAL WASTE!**
